“ My little Buddy,
We grew up and old together, we had the best
childhood ever. I moved away but not
anything could change our hearts because we
were always connected. No matter the
distance we had apart, Once I remember he came to my house on
his Harley it was COLD. I lived in Jackson county. He literally had
ice in his mustache. I will forever hold a spot in my heart for you as
you did me. Till we meet again my little Buddy. “Later Gator” I love
you forever and a day. Auntie 🖤🌹🖤

“ Rickey (Red) was always a great person to see and talk to, I
remember back when us kids were young he built us chopper bikes,
he even built me a skateboard rail and burned me a CD of Ozzy, I'll
miss you for sure.

“ Growing up he was a big part of my life, as his
home was my second home. I will forever
cherish all the game nights, halloweens and
other holidays he provided me with. He was
such a kind cousin who treated me like one of
his children. He was always smiling or .along
us kids laugh, oh his laugh was one of the best, I can see and hear
him now just laughing at some one of us kids. He's in a much better
place now and will forever hold a special place in my heart. ❤️ Until
I see you again fly high, I love you ❤️

“ I don't know if one of the earliest memories I have is of me and Lil Rick or if it was me watching but I have a memory of him wrestling in the living room at his parents and I mean I couldn't have been but 3 or 4 so it's a little hazy but it's one of my first memories. He and the whole family were a huge part of my early years. Though I haven't seen him in I don't even know how long it still hurts to know that one of the good ones is now gone. I'm sure Uncle Larry was there with open arms when he arrived in heaven.
