“ To the Dover Family, I wish to extend my sincerest condolences for your loss. I am saddened to learn of Ricky’s passing. We shared our school days and a fond friendship. Though many years have passed, time has not diminished my fond memories shared with Ricky. I can define his character as extremely nice, witty and respectable. May he RIP. May each of you find strength in the love of family and friends during your time of sorrow. May God bless you today, tomorrow and always.
