“ *Cathy ,so sorry to hear of my cousins passing. He was such a good person and we had a few laughs together chasing after the lightening bugs..I hadn't seen him so many years and to see he has passed has saddened me dearly. May you heal this loss over time. I am his moms sisters Cora's daughter who lived in MS. ...Judy Ames*

“ *Cathy I am so sorry about the passing of Ricky. He was always such a light hearted and all around happy guy. Prayers for you and the rest of the family for the coming days. I was talking to mama the other day about when Debbie and myself would come to your home on Atlanta Hwy and eat Chipped beef and gravy over loaf bread. Always loved coming over there.*

“ I was very saddened to hear of Ricky’s passing. I got to know him playing church league softball back in the late 70’s - early 80’s. If I remember correctly, he played for New Bethany. Always had a bandana tied around his head to keep his shaggy hair out of his eyes! Ha!

He was a very friendly, outgoing young man, and we developed a good friendship, even though we played on different teams. His mom was a sweetheart also! Please accept my heart felt condolences. I will keep your family in my prayers.

“ Ricky Gravitt was one of my favorite people I have ever known. He coached and played on my softball team for about 10 years. He was a fierce competitor and hated losing almost as bad as I do. I have so many stories in my memory bank and even though we had lost touch over the years Ricky's death saddens me immensely. All the softball tournaments were great but the fishing trips , all the horse shoes games and tournaments ,pitching shoes at the Buford Legion, playing Rook in the back of Eddie Jarrards old Chevy pickup those are the things I remember and cherish the most.
