“Marianne, I am truly sorry to hear that your mother passed. She spoke of you all the time and how much she loved and admired you. I loved working with her at GAEL. She was a little afraid of the computers when I first met her but she soon put her extensive business experience to work and mastered that machine and made it her own! She touched my heart in so many ways and I will always be grateful that I had the chance to know her and work with her. My deepest sympathies to you and your family. Debbie Stanford

“Thank you Mrs. Robbie for everything! She poured into us as children in a church choir. I learned so many lessons from her. Marianne, I am so sorry for your loss of such a great woman.

“Marianne, I am so sorry for the loss of your mother. She was a very special person. I adored working with her at Wayne brothers, she took me under her wing, and treated me like her own. We had so much fun together when she took me and my mother to Cherokee and Gatlinburg! I will always cherish our time together . Praying for you and your family.
