“ *"And the last enemy, death, is to be brought to nothing." (1 Corinthians 15:26) God promises that he will soon wipe away and reverse the effects of this enemy that causes so much pain. Your precious husband, father and friend will be brought back to you and you will never have to experience the pain of losing him ever again. This is a promise from God! “ *It is with a heavy heart I write this message. Bob was a huge influence in my life. He took time to be a mentor to me when I needed it the most in my life. In the process of his mentoring me he became a great friend and golfing partner. For me when Bob retired my business life was just not as much fun without Bob. Ellen I will always cherish the dinners we had together at Wintzells". I know that it was one of Bob's favorite restaurants because of what it meant to the two of you. It has been an honor and pleasure to have known such a good man as Bob Beavers. He will be truly missed.*
