“ Dear Rodney, Gina and family,

*My deepest sympathy in the loss of this wonderful man.*

*His kindness and sense of humor will be well remembered. He was such true gentleman. One could always count on seeing "Captain" at your fun activities at the lake or countless other events. His welcoming smile and handshake was always followed by a genuine concern for how you're doing...and he would listen intently to the answer. Sometimes he would offer friendly (fatherly) advice.*

*He was a very thoughtful man who touched so many lives. I am so thankful to have known him so many years. If I'd never met him I would truly have missed something special. He was such a blessing to your family and many others. His life was well lived!*

*I will think of "Captain" often and smile!*

*Much love and big hugs,*

“ He was such a good man, he left an impression on each and every person he met. He will be missed many but be happy that he is with Mema, the love of his life. They are celebrating a life well lived with their heavenly family. We know he got to Heaven the Lord said, "Well Done my Child, Well Done"

*We love you Granddad and will forever miss you.*
