“ Bobby, we were so shocked to hear of your passing. I pray you've found peace in heaven and having a loving reunion with your parents and mine and Beverly's parents. I always remember the talks and roasting marshmallows and hotdogs around the campfire and the cabins through the years. Thank you for loving my sister for so many years. we will forever miss you. - Wanda-

“ Sending love and condolences to his loving sisters, Patti and Cathy, his twin half Alan and all his family and the love of his life Beverly. I will remember Bobby sitting on Cathy's covered patio, with a beer in one hand and cigarette in the other talking about life, aliens and football. Most of all I will remember that wicked laugh. I loved his laugh. It made me smile. He has moved on to be with his parents but parts of him remain here. He's here in your memories. Hold on to them. So precious. My thoughts and prayers are with you all.

“ To a simple man that had a big heart. We shared alot of great times together. Bobby was an avid Falcons and Ga fan. I pegboarded my garage and he built shelves to finish my garage and had a tv watching the games. I pray the he is not in pain anymore. RIP Bobby Love you man Steve

“ Bobby I will always treasure all the Beautiful memories and special times we have shared in the 15 years together and even before that when as young teenagers going on family vacations with your Family. They are times to treasure, I will miss your Smile and sitting and listen to you share your football stories. You are my Lifetime Love and like you always told me "I will love you till the end of time," You are in my Heart forever. I am going to miss you so much. Life will never be the same without you but I know you would want me to take care of me and be strong. My heart is Breaking now but I know you are with your Mom and Dad and Grandma. Give them a hug from me in Heaven. You will live in my Heart forever. Love you Always Beverly
