“ *All the employees of CPS are very sorry for the loss of Robert, fellow friend and worker. He will definitely be missed. I pray he is in heaven and we will all see him again someday. Please let us know if you need us.*

“ *So very sorry for the passing of your dear family member. May the many memories that you shared comfort you in the coming days and weeks ahead. So continue to rely on the comfort from Our Father in the heavens. A Bible passage to keep in mind is John 5:28&29. This scripture reminds us of Jesus promise of the resurrection. As Jesus said that he is the way, the truth and the life*

I happy that I was Aetna's to share this message of encouragement with your family.

Sincerely,

Melvean Strickland, Volunteer Minister
