“ *I love you Dad. I'm so sad you had to leave us but I'm glad you won't be in pain any more. I am so glad I got to spend time with you last year. I will never forget going to the bug museum and caves with you. Never forget you making me all the stickers and photo prints. I'd do anything to talk with you one more time.*

*I miss you so much the times on the beach that we were skateboarding and surfing the first time we drink a beer together and most of all I'm gonna miss you saying hey bro,
Darrell your bro*
