“ *Your St Louis cousins extend our most sincere condolences on the unexpected loss of your brother and our cousin Bob. Until his health started to give way, Bob could always be counted on to keep in touch with us in St Louis and keep us up-to-date on the goings on in Georgia. Most appreciated was the time he would take to bring your Dad to St Louis to see his brother, our Dad - Uncle Earl. We know your family will sorely miss your brother Bob. But your family is stronger for the values he left behind. Unfortunately, it seems that time is being unkind to the St Louis Foersters. We're continuing to push ahead but health issues prevent our travelling to see Bob one last time and give him the send-off he deserves.*
