“ *Uncle Glenn was a very kind and gentle man. He came into my Aunt's life at a time when she needed him so much for companionship. He stepped in and loved her girls and their grandson like his own. I know something about that because I have a man who has loved my children and grands as his own. I recall how good he was too Sheila and Angie. He would go to their houses and help in the yard and repairs and he did so probably not knowing just how much that meant to them. He was always there as long as his health permitted to help out and go and pick Brandon up from school in the afternoons.*

I just can't say enough about what he brought to their lives, and our extended Garner family. He loved my dear Hope and it showed on his face when he was around her. He always made us feel welcome when we dropped by to visit when she was a little baby and then as she grew up.

I know I will miss him so much. He meant so much to me. He just had a good, kind heart. I am so glad we had him in our family for those many years. It just was not long enough. I will always remember him with love, and remember his kindness and generosity.

Love you Uncle Glenn

“ *I am saddened by the loss of my beloved Uncle Glenn. During my younger years in Booneville and Memphis Glenn was more like a brother to me. I will miss him and hope he is finally at peace.*
