“ A blink of an eye, but actually 25 years since Bob and Renee and I worked together with Amoco ACA in south Jersey/ Philadelphia. I have often remembered Bob for his energy, humor, easy leadership, creativity, and ability to get things done on the streets. Bob Hume will always awake memories that make me smile in my heart.

“ To the Hume Family. I worked with Bob at Amoco and BP from the early 1990s to 2007. I have very good memories of Bob. He had an extensive knowledge of the retail business. He was always at the top of his game. Although I haven't seen him in many years, I will miss him. My thoughts and prayers are with the Hume family

“ My sincere condolences to the Hume family. I also worked with Bob at Amoco/BP. He was always full of energy and he worked and played with an equal amount of vigor. He was intelligent and witty and made work fun because he was there. Rest in peace Bob.

“ Renee,

Colleen and I are saddened for your loss. Bob was always kind to my family and taught me most of what I know about the business we chose. I owe much of my success to Bob and his teachings. Everything seemed bigger when he was involved and our world is that much smaller without him. God Bless you and your family. Our thoughts and prayers are with you.

“ Renee, You may not remember me but its been to many years since I've seen Bob. I work for the Budweiser wholesaler in FI and Bob & I became very good friends. He always found time to help me raise money for the youth Soccer programs when you guys were here. He was one of a kind and I am so sorry to hear this news. I'm not surprised that you have two children and a wonderful family. That's what he always said he wanted. I always looked at Bob as a friend first and I am thankful I got to know him. God Bless you and your family.
