“ Very sad to learn that my number one olaymate in Millwood has died. When we were kids we either played at my house or his. Have not seen him for many years but have never forgotten those times. Please accept my sincere sympathy for your loss. Jean Lee

“ Bob and I were classmates and close friends in the 8th grade (our first meeting was when my family moved to Berryville in August 1957) through our graduation from Clarke County HS in Berryville, VA in June 1962. He and I went to rival colleges (Bob to VPI and me to VMI). We would later see each other at high school class reunions as we lived our lives in different geographies. Some of my most vivid memories of Bob in high school were his 1957 Chevrolet and the fact that he and I served as the CCHS student body president in back-to-back years. By a quirk, I got elevated from VP to President our junior year and Bob followed me our senior year. I had a very good conversation with Linda (Bob's wife) this afternoon. I extend my condolences to Linda and her family.
