“ My grandfather was one hell of a man! Tough but loving! Determined and a hard worker! I'm so happy that I had the opportunity to learn from him and have him in my life! I know he has wanted to join Granny for quite some time now! Now he has his wish! Now he is joining his beautiful wife, parents, 2 children, and his brothers! What a glorious reunion it was!! You will be missed but your spirit shall live on through everyone who had the honor to be in the Hunter family! You will always be our patriarch and the one and only "Grandfather"!!

“ Dear Uncle Bob,
I had so much fun talking with you the other day at the hospital. You were so happy & I know you didn't feel too hot but you had a smile on your face anyways. I'm sure your welcome into heaven was the best one they've ever seen. You're a hot commodity here & there, but you already knew that. I know your wife Dori was there, she's been waiting on you for a while now, and my grandpa & grandma Hunter we're there too. Your babies, aunt Dori & Uncle John welcomed you & there's no doubt in my mind my dad Tim was there too. Give daddy an extra hug for me & let him know I miss him. Enjoy the sweet life, we will take care of each other here on earth for a little longer. Love you so so much.
Love,
Your great niece Syd

“ *My Grandfather will be missed by many, along with myself and family. He made us laugh, provoke deep thought and love the family we were born into. This man knew how to have a good time in life, worked hard as well along with being a wonderful husband and father to my Granny, Aunt and Uncles. His faith was really important too and I think he heard me when I read to him verses that reflected on God's word. I am very grateful to say that my son had an amazing Great-Grandfather and we love him so much. I hope he gives Gran a hug for me upon his entrance into eternity. I love you!*
