“ I truly hated to hear that my friend and co worker passed away. I am glad he was able to eat Thanksgiving lunch with his transportation family on Wednesday. Bob will truly be missed in many ways. We had many laughs together and many conversations. One of the sweetest yet funny guys i have known. I enjoyed hearing all the plans he would make for summer trips and then enjoy all the great pictures and tales about his voyage. Bob, we love you and we will miss you so much.
