“ I coached with and against Rob for many years and consider him a friend. Always a gentleman, a family man, and a stand-up guy, Rob will missed by all who knew him. My deepest sympathies to his family. We are all lessened by his passing.

“ Coach Kellogg was a great man. He was patient, soft spoken and had a talent with his approach to the kids he came in contact with. We met him at Arlington Christian School when they started a football program. Everyone was so excited. Watching the practices, he took a group of boys who many of them had never played football, and they became a team. We appreciated all he did and how he gave them confidence and spiritual guidance. Our prayers are with the family. David and Nan McGuffey...Parents of Michael McGuffey #24

“ Rob was one of the first people I met when we moved to Statesboro 40 yrs. ago. We shared the same love of baseball and I'm so glad that he was able to follow his passion in his career. I'm sure he was a great influence to a lot of young men. Glenn

“ Such a good friend. I remember playing baseball with him so clearly. With a 3-2 count and no way he would throw a me curveball , because it would certainly mean ball four. I saw the curve leave his hand so I stood back waiting on the ball four count and wouldn't you know it, he found his way to a third strike. I had to tip my cap and know that we had just changed leagues. Rest In Peace my friend...see you in the field of our dreams

“ Rob Kellogg was one of the kindest, sweetest and honest men my family has ever known. He helped raise and nurture my son and daughter not only on the athletic fields but in the fields of life as well. Rob even had the patience to tolerate and teach an sometimes aggravating and overbearing parent such as me. My family and I owe Rob more than words can say. He touched our lives as only a Godly man can. Thanks Rob , for just being you, loving your family as Christ loves His and loving your players and students as if they were your family. You define class !! My prayers to Linda and Jessica Alan Tucker - Thomasville
