“ *Dottie, I want to say my thoughts and prayers are with you and the kids and family! I know we got to see Rob on some of his worst days, but he impacted my life and the way I see things on a day-to-day basis. I will miss his quick wit, his humor, and his abilities to see life outside the box. I think of you and the kids all the time and I can only hope life gives you the best from this point forward. You have remained strong and determined to do what was best throughout all this and that is such an inspiration. Thank you for believing in us and allowing us to be apart of your lives. With deepest remorse, Nicole*

“ I never met Robert, but heard quite a bit about him from my girlfriend Mary Kreis. I know personally the impact he had on Mary and that he was a true friend to her. Although I never met him, it was truly an honor for me to carry the flag across the Grand Canyon for Robert along with Mary. Robert was on my mind and in my heart that day. He was there in spirit and I drew strength from him during our run! My thoughts and prayers are with all of you!

“ Dottie,
I am a friend of your sister Tara's and I just wanted you to know how sorry I was to hear that your husband had passed away. I know the pain you are feeling as I lost my husband when he was only 42. Last year my oldest daughter was killed as well. That pain never goes away but it does get easier. I'm still standing and you will too. God is not going to bring you to it if he's not going to bring you through it. I know you have a great sister that's going to be there with you. She was there for me and she has stayed right here whenever I have needed her. My prayers are with you and your children in the coming days but don't forget, we will see them again some day.
