“ Rob was truly one the nicest people i have met in some time. im going to take this as a life lesson in that we never know how much time we have with the people around us. i wish we all could have had more time to learn and grasp fully what the peaceful mind of rob really had going on. its a shame that a good friend has gone so soon.

2 Corinthians 4:16-15:8

"Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal. Now we know that if the earthly tent we live in is destroyed, we have a building from God, an eternal house in heaven, not built by human hands. Meanwhile we groan, longing to be clothed with our heavenly dwelling, because when we are clothed, we will not be found naked. For while we are in this tent, we groan and are burdened, because we do not wish to be unclothed but to be clothed with our heavenly dwelling, so that what is mortal may be swallowed up by life. Now it is God who has made us for this very purpose and has given us the Spirit as a deposit, guaranteeing what is to come. Therefore we are always confident and know that as long as we are at home in the body we are away from the Lord. We live by faith, not by sight. We are confident, I say, and would prefer to be away from the body and at home with the Lord". We'll all be thinking about you bro, just keep a watchful eye over us while we tread through this world. see you on the flipside homie... one love JD...

“ I am at a loss for words. I miss you friend and I feel you have reached an even higher metaphysical level, then you already had reached here in this world. I don't know what I am going to do with having you in my life. I miss you so much. One love and I know your awesome energy has now left your physical body, and has transpired into something even greater than what you already achieved here in this temporary world. xoxoxoxo
