“ To all the family of Robert I wish you my heart felt condolences. I only knew Robert for a short while but he was a welcome and a blessed person I could call a friend.
He expressed a true love for family and friends and was a kind and gentle sole. He was a pleasure to see and talk with and the kind of person you could bond with immediately. I truly feel I and anyone who met Robert was a better person for knowing him. God bless him and his family and I hope to meet him on the other side. We will have a good old time.
