“ Robert was my cousin and just one of the kindest persons you would ever want to meet. We had great times as children growing up at Granny Parker's house. The large family of brother and sisters would come for a visit at least every other Sunday after church and bring all the children. We would gather after the dinner and share our times together, until our family moved to Florida in 1958. I always loved Robert's mother, Aunt Mozelle as she was an inspiration to me. I am so thankful for all these wonderful memories of my family and know I will see them all again in my heavenly home. Thank You, Jesus for our Eternal Home. Our love always to the family, Diane Chandler Sanders and Fred Sanders
