“ I know you are enjoying reuniting with Dad, Grandpa, Gary and your Mom, as well as others! As the youngest, I didn't get to have many memories with you but I was proud of my oldest brother. Thanks for pulling the dish cabinet off of me when I pulled it over trying to climb it. Thanks for teaching me to hold on tight when riding as passenger on a motorcycle. Thanks for letting me hold your newborn son when I was only eight. See you again when God says it is time!
