“ Robert,
Don't know where to begin other than to thank you for all you have done for me over the years as a friend and a fellow coach. We shared the same passion and those years we spent coaching were very special. You mentored many through the Junior Spartans and those players knew you were special. We will miss you.

“ Robert and I never actually met in person. I once called him with a business referral and we had an instant friendly connection that led to a business relationship. From the 2.5 years that we've worked together, I came to know him as being a positive thinker, a great communicator filled with energy and enthusiasm, outgoing and willing to help others, and overall a very reasonable, down-to-earth, happy person. My most recent contact with him was one where he laughed a lot and was planning to spend the rest of the day at his lake house. I envy all those that had a chance to know him longer and more personally. On behalf of myself and our company, we offer our most sincere condolences to his family and loved ones.

“ Kim and I would like to express our deepest sympathy for Robert's family and loved ones. We were so shocked when we heard the news. We loved Robert. Hasten, our son, was one of the little football players that Robert shaped during the very beginning of the Junior Spartans. Hasten and our daughter Erin worked for him on a couple of occasions and he helped them become the people they are today. We will sorely miss him.
