“ *I met robin by working for her father at his farm in ky, and we hit it off quickly and always talking about horses! I hope she is in a better place now, i lost touch with her and did not get to see her before her passing!*

“ *You all have our sympathy. We first met Robin and Cathy at one of those wonderful parties that Lottie and Bob used to give. Then we would see Robin again as an adult in Kentucky.We are so sorry.*

“ *Robin and I met when she was 4 years old and I was 6. We always had a close relationship while we were young. More important was the relationship as adults when we needed a shoulder to lean on. I will miss that shoulder but will still ask for her advise.*

“ I meet Robin completely by chance, but we became friends. We talked often, discussing horses, children, and events going on in the world. Losing her so quickly has reminded me that we need to cherish every second that we get to spend with our loved ones...

Thank you Robin for being my friend.

*Love,
Lacey*
