“ I always enjoyed riding and conversing with Roger. He was always
positive, upbeat, and very kind. Our group rides wont be the same
without him, but his memory will ride with me always.

“ We were so happy to have Roger join our family when he and Kitty got married. It was very clear to all of us how much they adored each other. They were both so lucky to have found one another and share such unwavering love. We also loved Roger and feel the pain of losing a member of our family. We know he's looking down on us all now and can rest in peace knowing we will all be looking out for Kitty.
