A great christian man, loving father and grandfather and how oh how he loved his Cindy. I was so blessed to have him as a friend personal and work related. His faith and his living it will always be a special memory.

“ I remember many years ago when Roger was an electrician for another company and we had many conversations about him starting his own business. I knew he would succeed because of his ethics and fairness. I followed him with as much support and recommendations. We had many conversations about scuba diving and our love for the sport. I regret that we never did have the opportunity to dive together. I will miss our periodic conversations. He was a big encouragement in my battling Cancer.

I love you Roger and much love to the entire family and John White.

“ I am so sorry for your loss. May God comfort your mourning hearts. I pray that you find comfort in Revelation 21:3-5. This scripture paints a picture of a world that is very different from what we see today. A world with no more sickness, pain or death...and it is not a dream, it is a promise from God. He promises to reverse the effects of death and resurrect your precious one. You will never have to say a painful goodbye ever again!

“ Cindy, Danielle, Anna and Callie,

No words can help take away the pain and void that you are experiencing today. Know that Roger was loved and respected by so many. I've been blessed to call him my friend for 40 years. Over the last few years, my admiration and love for him has been strengthened. His WARRIOR spirit and determination have marked my life. Every time I left his presence, my life was enriched to new heights. Know that you are surrounded by family and friends that are here for you in difficult days that will follow. Love you.
