R.I.P my buddy Dylan. Nobody ever knows what's going on in someone's head. I wouldn't have ever dreamed of this. I know you were a good person with a huge heart and just a few weeks ago I seen you and Tiffany at wal mart and yall helped me my car wouldn't start and you helped me get my car started and u said take my number and call me if you ever need me. You were always happy go lucky. I know you will be missed by many. Always thinking that you left us all so young but we will see each other again one day.
