“ *My deepest sympathies to the Collins family. During the many years I have known Mrs. Collins, she was an absolute joy to talk with about the Bahamas; making her famous Conk salad and the love of family. She will be missed.*

“ Dear Janet and the rest of the Family,
I first met Cousin Rose in Freeport in the mid- 1970's when my mom introduced her to me as being her childhood friend from Nassau. Cousin Rose was always the most gracious, stylish lady who loved and cared about everybody around her and we became great friends. She loved cooking for friends and family and was a most devoted Anglican. I often admired her clothing, most she made herself and I admired her use of bright, happy colors. I feel privileged to have known and loved Cousin Rose. The last time she visited Freeport she indicated that she would probably never return because of her health but I never really believed that it would be her last visit. However, it was. I know that her family and friends who loved her will truly miss her. Of course, that includes me as well.

“ *Deepest condolences to our long time friends and neighbors, the Collins Family. We were saddened to hear of the loss of your mother. She will always be remembered for her graciousness, tenderness, and smile. We remember the times she opened her doors, and her kitchen, to feed many of Joe's hungry friends! We pray that God will bring you peace and comfort knowing your mother is alive and well in the arms of our heavenly father.*

“ *A Mother's Love*

*A Mother's love is something
that no one can explain,
It is made of deep devotion
and of sacrifice and pain,
It is endless and unselfish
and enduring come what may
For nothing can destroy it
or take that love away . . .
It is patient and forgiving
when all others are forsaking,
And it never fails or falters
even though the heart is breaking . . .
It believes beyond believing
when the world around condemns,
And it glows with all the beauty
of the rarest, brightest gems . . .
It is far beyond defining,
it defies all explanation,
And it still remains a secret
like the mysteries of creation . . .
A many splendoured miracle
man cannot understand
And another wondrous evidence
of God's tender guiding hand.

“ *God Knows Best*
Our Father knows what's best for us,
So why should we complain
We always want the sunshine,
But He knows there must be rain

We love the sound of laughter
And the merriment of cheer,
But our hearts would lose their tenderness
If we never shed a tear...

Our Father tests us often
With suffering and with sorrow,
He tests us, not to punish us,
But to help us meet tomorrow...

For growing trees are strengthened
When they withstand the storm,
And the sharp cut of a chisel
Gives the marble grace and form...

God never hurts us needlessly,
And He never wastes our pain
For every loss He send to us
Is followed by rich gain...

And when we count the blessings
That God has so freely sent,
We will find no cause for murmuring
And no time to lament...

For our Father loves His children,
And to Him all things are plain,
So He never sends us pleasure
When the soul's deep need is pain...

*So whenever we are troubled,
And when everything goes wrong,
It is just God working in us
To make our spirit strong.
