“ *Just now found out about Rosemary and I am sorry for the Family's loss. Rosemary taught me how to drive a school bus in 1981. Drive 30 years and one reason was because of her, again I am sorry for not finding this sooner. Rest in Peace my friend and fly high 🙏*

“ Rosemary was the best! She was the family caretaker not just her immediate family.. but the entire Kalba family caretaker! She was my “saving grace” as a teenager.. we.. The Vassak bunch moved to GA when I was 13. Being raised by a single mother of 6 was not easy.. Rosemary stepped up and became my second mother.. as she did many others.. She took me places and treated me just as I was one of her own. She made sure if you needed anything.. those needs were met. I loved her greatly. I’m glad I got the opportunity to tell her not long before she passed. RIP Rosemary I know you’re so so happy to be with Dave, Helen, Barbara, Grandma and all your siblings. P.S. God blessed me with a daughter who could have been your “clone” .. Trista.. born on Grandmas bday!

“ Rosemary used to babysit myself and my siblings the whole time we were growing up. She was like a second mother to all of us. I was an honor having her in our lives. She will be missed by so many.

“ *Sweet Rosemary, I will miss you. I met you 30 years ago when you drove my kids on your school bus but I got to know you personally in the last 10 years. You were a funny, understanding woman. You are a beautiful angel now. I know you will look after all of us.*
