“ I am very sorry to hear about your loss. Though sorrow so often accompanies these occasions, may you find solace in celebrating the memories of all the good times you shared with Mrs. Gulledge in years past.

Through sickness and in health, God offers a peace only He can give through faith in knowing Him and believing Mrs. Gulledge is in a better place today. You and your family are in our thoughts and prayers.

“ So sorry for you and your beautiful family. My thoughts and prayers are with you.
Teri will be missed so much. She is still with you looking out for everything you do.
It is hard to let her go after so many years but she is free and happy now and waiting
for you some day. You have been there for her every step of her journey to this day.
She know how very much she is loved.
