“ *Brandon gathered all these treasures and put them in a shoe box. He closed the lid abs said now all these things are togethe and they are safe. Later in the day he remembered two frog lawn statues, a frog pitcher and a bird clock. Small simple things to some but precious reminders to him of his Grandma Ros. He loved her and there is no doubt she loved him. We all loved her and will miss her. Heaven gained a special angel when our precious Geandma Ros was called home. Her stories will be missed but not forgotten. We love you! Josh, Julie and Brandon*

“ I have only known Roslyn for a short time since working at Morningside. She was sweet and would tell you that "you're beautiful". She would tell everyone that. That was her way of expressing to us her love for us. I know for some time she has been looking for her Mother and her husband. I believe she has finally found them. She will be missed. My sincere condolences to the family.
