“ *Dear Fabricants,
I knew Alan, Dot, and all 4 boys. It was a real shock to learn of Ross' passing. My very best wishes to his family; my father taught with Alan in LACSD, and we grew up together. Robert Foster*

“ *Dear Melissa, you don't know me, but I came across the obituary for your husband Ross and my heart stood still. I believe he was one of my classmates and dear friend at Chatsworth High school in California. I lost touch with him after graduation and always wondered where he was, if he was well and happy. Our 40th reunion is this weekend and so I decided to Google his name. So sorry for your loss. It sounds like you have a wonderful family and friends who loved Ross. If it's not too much to ask please email me. I would like to know of your life together and how he came to pass so early in life. I am so deeply saddened and I pray God has given you strength these past 4 years. Thank you and God bless, Niki Karaiskos Mamakos*
