“ *Randy,*
I was so sad to hear about Roxanne's passing today. I had not seen her for a while, but I do remember the last time she was in for a cleaning that I could still see that spark of feistiness that she always had, even though she was going through so much. Being fellow Kansans, we had an instant bond. Her sense of humor was so unique and she would always make me laugh with her interesting perspectives and stories. I also loved the small world coincidence that you and Roxanne were married at the Unity Church in KC, by my husband's uncle Paul, who also married us at Unity. I know you and Evan miss her greatly and I am sending good thoughts your way- please stay strong.
Sincerely,
Leza Clark
