“ Sending my heartfelt sympathies. So sorry to hear of Jeff's passing. My thoughts and prayers are with you during this difficult time. I know Jeff will be deeply missed. May God comfort you and engulf you in the peace only He can give. Jeff had quite a few Gilson family members to reunite with. And, I can only imagine how joyous that reunion was for him. I pray the thought of this can ease your pain and make you smile.

“ Renay, Austin, Tyler and Family, I am so sorry for your loss. I have known Jeff all my life. So many fond memories and fun growing up with Jeff, Debbie and all the other neighborhood kids. Yvonne was a lot older, but she drove us to and from school in the old Corvair. The Gilson's were much more than just neighbors but more like family. Actually we are distantly related. Cherish the memories, all the good times and know that I am thinking of each of you during this most difficult time.
