“ To Mr. Tallent's family:

I served in the 82nd Airborne from 1983 - 1987. Many of the WWII vets were still alive and would come to Ft. Bragg for All-American week. They would eat in our mess halls and share stories with us about their times in Europe. We held them in high esteem and stood in awe of them. Please receive the sympathies of a later jumper and know that this man was part of the military foundation we wanted to continue to perpetuate and honor. God bless the memory of Roy. I. Tallent.
