“ I was so sorry to hear of Runelle's passing. I have not seen her in many years because life and time separated us. My thoughts and prayers are with you during this tender time.  
Runelle was a part of my growing up in Buford and in the intervening years I often thought about her and it was always with pleasantness. Runelle was in the class behind me so we were in school together for years.  
I remember especially that when Runelle was little she sang on the radio and Lucy played piano for her. I thought back then that Runelle and her mother were probably very famous because I heard her on the radio and I was glad to be with her not only because I thought she was a celebrity but because she was always so nice.

“ Runelle, even with all of her reasons not to, always brought a smile to my face and hopefulness to my heart.

*Her confident and positive outlook was a blessing to everyone that she came into contact with. Her perspective of "not to sweat the small stuff" was always incredibly uplifting for me. And watching her enjoy the simple things, like the flag blowing in the wind and the grazing cows, provided a perspective for me to recognize ever so clearly that God is always in control.*

*Runelle, thank you for being part of my life. Your tenderness for those of us that you left behind will be dearly missed, until in God's time, we will be with you again.*
