“ *Aunt Ruth was one of the kindest, sweetest, smartest, and strongest women I've ever known. Her loss will leave a huge hole in the heart of all of us who knew and loved her. Wanda, Renee, and Celia - you inherited all those genes from her and each of you equals her beauty. The strength she endowed on you will help you get through this time. And I know you will be able to comfort your dad, as well as his strength and love will help you. Love and peace of heart to you all. - Carolyn, Harvey and family*
