“ Sweet Sally! Whether we played against her, or with her she was always such a spirited contender. I will never not smile about her bringing her own paper, pens, and salad dressing! Oh and her adoration for Bruno Mars!!! She'd always bop at the table when one of his songs came on. I'm so sorry for her family's loss but am so pleased she can finally be at peace. Her suffering is gone. Much love to the family as they navigate this world with only her memory, but what fond memories they are.

XO,
