“ Mark and I are so sad to hear this. Sonny was such a great guy and we had so many fun times together when he lived in McCordsville (the inflatable turkey), the bike rides, trip to Louisville, dogs playing in the back yard, and too many more times to list. I know we had not seen you in a few years but we will truly miss you. Prayers to your family and friends left behind. We are thinking of you and praying for healing.

“ Sonny and I lived in the same neighborhood for a short period, and his home was the hub for all that lived in our neighborhood. I remember how all the neighbors would gather at Sonny's garage just to hang out and have great conversations. I got to know my neighbors better because of Sonny. Sonny had a personality that was very inviting and a pleasure to be around. I enjoyed riding motorcycles with Sonny and going to bike shows. I must mention his Thanksgiving inflatable turkey he would put out in his front yard every year. And some alterations that happened to it one year. Good Times! We missed Sonny when he moved out of the neighborhood, the comradery of the neighbors faded after Sonny left and it was like the soul of the neighborhood was missing. Sonny is greatly missed in many ways, and our thoughts and prayers are with his family. God Bless,  
Mark
