

Samuel "Sam" Jeffrey Owen

February 26, 2016

Samuel "Sam" Jeffrey Owen, age 20, passed away on February 26 2016. His passing was sudden and unexpected. Sam was a resident of Suwanee, GA. Sam was born on October 22, 1995, in Atlanta, GA. He was a kind-hearted, sensitive individual who was compassionate toward all people in all of life's circumstances; he was likewise very fond of animals - so much so that he quit eating meat for many years.

Sam was an excellent student who made straight A's through high school and near perfect scores on standardized tests. Sam graduated North Gwinnett High School in 2014 with honors, and was currently a sophomore at Georgia Technical Institute, studying physics.

Sam was an excellent swimmer who was on the high school swim team for four years. He was committed to making the State Championship team for his senior year. Through hard work and perseverance, he saw this goal realized. Sam was a tremendous brother and son to his sisters and parents. He was always willing to help out in anyway needed, by anyone who asked. Besides tutoring and charitable works, he was selfless in everyday acts of generosity, both in word and in deed.

Sam is survived by his loving family: Nina Owen (mother), Jeff Owen (father), Maggie Owen (sister), Claire Owen (sister), Marvin and Mary Newman (grandparents in McKenzie, TN), Kathy Owen (grandmother in Tuscaloosa, AL), Corene Bennett (great-grandmother in McKenzie, TN), uncles, aunts and many cousins, many friends, and his girlfriend Sarah Hendrickson.

The loss of this beautiful mind and near-perfect heart will never be reconciled in the minds of his family. We are less without him. Our only solace is that he is in a better place where he is already affecting others.

Funeral services will be held on Tuesday, March 1, 2016 at 3:00 p.m. at Pleasant Hill Presbyterian Church in Duluth, GA with Pastor Dr. David Fry officiating. The family will received friends at the funeral home on Monday, February 29, 2016 from 5:00 p.m. until 8:00 p.m. The family asks that in lieu of flowers, please send any memorial donations to the animal shelter or the mental health charity of your choice.

“ You’re on the right track, Todd. Once you’ve removed the fiberglass batt insulation from between crawl space ceiling joists, just leave the ceiling as it is. Insulate the crawl space walls with rigid foam. Insulate and air-seal the rim joist. These two treatments bring the crawl space within your home’s building envelope, making crawl space ceiling insulation redundant. You didn’t mention sealing the crawl space vents; this should also be done to complete the encapsulation process. One vent can have a removable door or cover to provide crawls space access. Good luck.

“ I only first met Sam during the beginning of our freshman year, but since then it's felt like forever. I'd always admired his sense of style, he was definitely the coolest member of our group. Sam was always a relaxed and agreeable kind of guy, never quick to anger. Our group circled around him; he felt like a natural leader. Without him, our crew will always be one member short. I'm sorry for your loss, and our hearts and prayers go out to you all.

very difficult to cope with day to day issues. Our loving God,
Jehovah, knows your pain and is ready to offer you comfort from the
scriptures. As God's people, we look forward to the time when Isiah

promised at Psalm 37:11, 29. Until that day comes please draw

“ *Nina, Jeff, Maggie and Claire,*

We are so sorry to learn of your loss. We have many happy memories of Sam from when we were neighbors and especially from the summer when he watched Thomas, William and Stephen while I was teaching summer school. He was so kind to them, and they looked up to him. They say he was the best sitter they ever had, and he always reminded me of one of my boys. He was quiet, kind, smart, philosophical and handsome.

When I think of Sam, the strongest memory that comes through is the pure and absolute love you had for him and for each other. I saw expressions of this love so many times and had such admiration and respect for you all because of it.
