“ Sam, you are greatly missed. Life moves on, the busy continues and yesterdays fade. The memories of you remain full of life as you were here on earth with us. Let this healing candle be a symbol of how you and the memories we all hold of you will carry on through the days as if you are still here. Its so hard to wrap our heads around the fact that you are with our Heavenly Father now. We are thinking about and praying for all that were left behind. There's so many that loved and treasured you Sam, not one of us is going through this transition alone, even though at times it feels like it. I hope that you've been given the opportunity to see just how many people love and miss you so much. Thank you Sam for all that you did for everyone, including strangers alike. You touched so many with your laughter, love and kindness. You Sam will forever be remembered and treasured. May you truly Rest In Peace my Dear Friend.
