“ *Sandra and I have been friends since first grade. We have laughed together and cried together and prayed together for each other, our families and our friends. I was blessed when she moved just three miles away from me. I will miss our daily talks, shopping and lunches together.*

She loved you all from the depths of her heart. You will all be in my prayers in these hard days ahead. I love you all.

Sandra and I worked together and became friends at Lanier Business Products in Tucker. She was a wonderful, loving person with an infectious laugh and great sense of humor. She was a wonderful mother and grandmother and was extremely proud of them. I will always remember the fun times my husband and I had with Sandra and JB and friends. She will be sorely missed.
