“ *I had the true pleasure of working with Sandy when I first arrived at Lanier Islands. She was always kind and helped me get my bearings from my first day there, We grew to have a wonderful relationship and she always impressed me with her determination, emotional strength, humor and love for her team.*

I am heartbroken to just now learn of her passing but am happy for the memory of this extraordinary woman.

“ Lifetime memories with Sandy. We were so ornery and sure shook things up but we had a blast. I'll miss her daily postings and so sad for all her family and friends. Special hugs and prayers to Rick and Shawne.

“ Not one person called her Sandra Lee, no one, she was Aunt Sandy, Aunt Sticks to me because her whole life she was the only skinny Luke and she was a Luke. She was my grandparents daughter and she was the mother of my cousin. I cannot explain how special she was to me and my family, but I will forever think of her showing me how to dance in her living room. She was a huge fan of 60s soul music, and passed that on to me and my cousins. She was the little sister to my Dad, and she was heartbroken when my grandpa passed. She is in good company in heaven and we all miss her dearly. Stay grovin' Aunt Sandy - we love you too much to explain.
