“ *Spending time with Sandy would always brighten your day. She will be missed.*

Greg & Rebecca Hooten - November 02, 2013 at 12:00 AM

“ *I was only able to spend time with my cousin a few times. I did know that the world was a better place because she lived. I last saw her when attending a technology conference there during my working days. That was the best part of the conference. My thoughts and prayers are with you.*

Fondly,

“ *Sandy was a dear friend, and we had a lot of exciting times together. One of her favorite sayings was "when God closed a door he opened a window"...well Sandy you flew out that window and will be missed here!*

My thoughts and prayers to her family.

“ Kathy Kuhn November 1, 2013

I met Sandy through a wonderful group of women all who are current and past employees of Mattel Toys. We have enjoyed get togethers for many years and have been blessed to enjoy friendship and fellowship through good and bad times together. It is with deep sadness that our recent outing, unknowing to us, was our last time with our dear Sandy. She will always be a part of our group and never forgotten.

“ To all of Sandy's children, grandchildren and great grandchildren, may I offer my words of condolence on the loss of one great woman who just happened to be my first cousin. She knew how to make everyone feel welcome and she was the greatest at putting a smile on everyone's face. I think I did more laughing when in her company than I did anywhere else. I will miss her. I know you will miss her, but someday, we will all meet again on that "Beautiful shore."
