“ *Mrs. Wilmot was one of the kindest people I ever met. She treated me like family and I loved her for it. She always seemed to focus on the good things in life. I see this in her children as well. My heart is heavy and full of sadness. May you take comfort in knowing that she lives in all of you.*

“ *The light of a shining star has dimmed, but will never go out. Sandra was "the eternal little cheer leader"; so full of energy & joy. Life can be unfair; in my mind, she should have left this world for the next, on a pair of water skis.
Love you Roger & children*

“ Dear Wilmot Family, Sandra was my first cousin once removed. I am Harry Royal's oldest granddaughter. I did not have the honor of meeting Sandra but I have heard such sweet things about this lovely woman. You are all in my prayers and I will be thinking of you during this difficult time. In sincere love, Diana

“ Knew from the start that we'd be close friends as we just clicked! You were so friendly & had that spirited personality. How you loved the family gatherings & they were always so much fun. You will be missed so much as there were many who loved you. May they be comforted knowing you are with the Lord.
