“ *Sara brought something special into our lives. She worked for us for many years and practically raised my three children. More than an employee, she was a dear and precious friend who was faithful and kind. All of us loved and appreciated the effort she put into everything she did, from picking up after my children, to cooking incredible meals. Among the things we remember most were the cheesecake and coconut cake! We could never make it as good as hers!*

Nobody could take Sara's place. We prayed together, loved together and laughed together! We all have lost a beautiful soul!

Thank you, Sara, for coming into our lives and blessing each of us with your smile and humor. You still are a part of our family and we will never forget the joy you brought to us. Rest in peace, Sara, until we meet again in heaven!
