Thank you Sarah for being a part of my life journey. So glad I met you years ago at Tom Moore's shop. You talked about working at Michaels Store and got me interested in working there. Thanks to you I have enjoyed working there for 12 years till present. It was always great seeing you there when you came to visit.. I know you lived life to it's fullest and were taken too soon. You are very missed.

Sarah was a dear friend. She and I didn't get to spend as much time together as we would have liked but we loved each other and were always very happy to see each other when we did get together. She will be missed
