“ I so cherished the times Willene and I had at the lake with both our families. She was a very special friend with her laughter and love.

“ We love Jack, Willene and their family. In our early grownup life, Jack and Willene were next door to encourage, quietly guide and love. We are thankful for our times together! Love to all of the family from Darlene and I. May God bless each of you.

“ Oh my, do I have wonderful memories of Willene (and Jack) , as they were previous neighbors to my brother, Johnny Valentine on Lake Lanier. Willene was the sweetest southern lady and loved being around her. We always enjoyed our time when we came to visit the lake with Johnny. We all went to Colorado one year, many many years ago, snow skiing. We had so many laughs. Time has a way of changing so much, but the wonderful memories you share with family and friends, never leave, no matter how long. Rest in Peace Willene. Love, Joan Valentine Payne

“ I am so thankful and grateful for the time that I got to share with Willene. You guys will never know how much it meant to me, Especially after losing my own mother eleven years ago. it was my privilege to really get to have my own relationship with her. I am going to miss her tremendously. I love all of you and please know you are in my thoughts and prayers.

“ Willene was my favorite cousin....we practically grew up together in the Grant Park - East Atlanta area where our parents visited often. We enjoyed each others company and laughed a lot. Willene was a beautiful young lady...kinda mischevious and ready for anything. This world will be a lesser place without her.

My deepest sympathies to the family and friends.
