“ *I did not know Savannah, I only learned of her after her passing. She was 2 of my grandchildren's teacher at Wayne County High School in Jesup, GA. from what they have said she was a very special teacher to them, giving, loving, caring and they are heart broken over her passing. She touched them very deeply and I wanted the family to know that we are thankful for the time that they shared with her and her with them. I have no words that will ease the pain of your loss of Savannah but I pray that you all will take comfort in knowing she touched my grandchildren's life's and we are thankful. Please accept my deepest sympathies, praying for comfort, healing, peace and understanding in Jesus name Amen. God Bless you all*
