“*Shane was the best step-dad out there. He lived a life of love and passion. He was indeed taken from us far too soon. But as the saying goes "A heart of gold stopped beating, two shining eyes at rest. God broke our hearts to prove he only takes the best." God rest his soul.*

“ I got Shane to admit he was wrong once, until the next morning. Where he denied being wrong, again. Haha. He was an intelligent man and a good one too. Shane will be missed

“ Shane Alan,
The memories I have of you and I together will stay in my heart forever. Even though we had a rough last few months, we had almost 8 years of beautiful memories that I will never forget, you are my greatest adventure and you always will be. Our son will never forget you and your family and I will do our best to raise him to be like his incredible daddy. He misses you every day and always asks if you can hear him talking to you so listen up! He talks to you every day. We love you so much and miss you so bad it hurts. Rest well sweetheart, watch over all of us.
