“ Tracey, Benji, Beverly and Grandchildren:

John and I offer our deepest sympathy on the loss of your Mother,
Sister and Grandmother. We know she is out of her suffering and is
"walking those beautiful streets of Gold" with our Maker. Our
friendship goes back to the late fifties with her and we will surely
miss her; but we can be assured we'll see her smiling face
again...May God be with each one of you at this trying time. Much
Love...
